Reconciliation Ministry Grant Commission
PO BOX 1986
Indianapolis, IN 46204

Greetings!

Thank you for considering this Grant Proposal on behalf of Disciples Peace Fellowship in support of underwriting Pro-Reconciliation/Anti-Racism Training as a core component of our 2023 DPF Peace Intern Training Week. On behalf of DPF, we are grateful to be in partnership with Reconciliation Ministry and we look forward to continuing to find new and innovative ways to work together!

Enclosed you will find a \$750.00 Grant Proposal that will help us pay for one PR/AR trainer to work with our our 2023 Peace Interns in advance of their summer spent serving as ambassadors for peace and justice on behalf of the Christian Church (Disciples of Christ) in the United States and Canada.

Training Week is an incredibly important part of the Peace Intern experience. This is in an intentional, prayerful preparation process led by the DPF Mission Director alongside denominational leaders, peace and justice advocates, and other notable teachers who equip the interns with the skills they need for their summer experience. Over the last several summers DPF has been committed to including PR/AR Training as a foundational element of the Peace Interns' Training Week experience. We look forward to continuing this practice again this year!

Again, we are grateful for this opportunity and thankful to partner with Reconciliation Ministry. Our deepest hope at Disciples Peace Fellowship is that this is yet another step in developing a deep and rich relationship with Reconciliation Ministry and that together we can do transformative work in the name of God. Know that we at DPF are holding you, the Reconciliation Ministry Board, and all of your mission partners in our prayers.

I look forward to hearing back from you. If you have any questions or any need for clarification on the grant proposal please do not hesitate to let me know.

Blessings and peace!

Sincerely,

Brian Frederick-Gray
